Man, summers don't get much better than this, do they? Never mind working on our personal tans or admiring how quickly our courgettes have grown – in this kind of weather, girls wear virtually nothing. Every walk to the bus stop, the shop, a trip on a train, is enlivened by a hot babe in something ridiculously skimpy. It's like the drab layers of winter never happened. Ah, but what if there was a mag where such girls took everything off... oh yeah, that's us... We forgot.

Dear Club,

I'm writing because I'm sure some of your female readers will understand how I feel. I've been having sex since the age of sixteen, and have rarely settled down, so have had plenty of sexual partners. I'm now 29, and after trying pretty much everything I finally decided to have more than one guy at once. However, I wasn't quite expecting what would happen, and how much I would enjoy it! Let me tell you about it.

I was away with my friends Sarah, her boyfriend Tom and a few of his friends. We'd hired a cottage in the Lake District to get a break from the city. I was supposed to be paired off with Simon, and as he flirted with me I told him saucily about wanting to try a threesome at some point. Things then took on a life of their own and he, with his mate Craig in tow, was leading me upstairs to my room.

Feeling nervous, but more than a little excited, I began to kiss Simon as he fondled my tits. I could then feel another pair of hands groping at my chest from behind, and I sank back as Craig kneeled on the bed behind me. With my head back on Craig's thighs, he bent in to take his turn to kiss me, as his friend yanked my jeans down to my ankles. I felt very exposed, but told myself to relax and enjoy it.

Tom sucked his fingers and began to push them into my twat, thumbing my clit as he did this. Craig was getting very excited behind me, and had stripped my upper torso naked, cupping my fleshy tits and pushing them together. Tom, meanwhile, with his fingers still inside me, unzipped his trousers and released his huge hard-on. I positioned my legs wider, inviting him in, and he glanced excitedly at his friend.

Once his dick had popped into me, he lifted my legs over his shoulders allowing my cunt to tighten around his shaft. It felt amazing, and he obviously wanted to perform well in front of his friend, as he worked up a quick rhythm as he fucked me. I moaned my approval and ran my hands over my quivering stomach to show them how I worked my own clit. It was then that I noticed Craig's dick hovering by my face, and without thinking turned my head to the side, taking a long lick of his shaft. Taking him into my mouth, I could feel it pulsing already as if he was about to cum. With Tom pounding me hard, I had to clamp my lips around his penis as my body was being almost thrown around the bed.

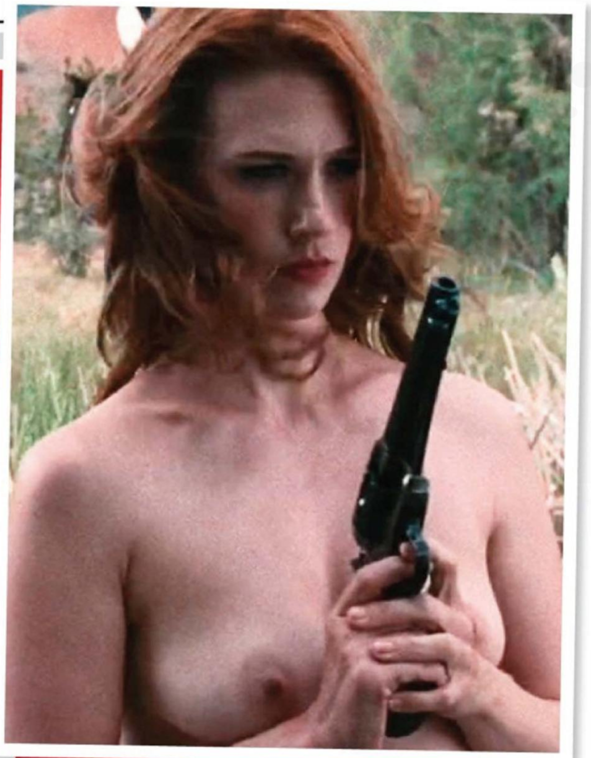
MORE MIA!

Dear Club,

The photoset you ran of Mia and Raven in the last issue was stunning. It contained pretty much everything I want from a photoshoot – two beautiful women, a bit of muff, some foot play and Mia herself. She's my favourite new girl of the past couple of years, and that bum of hers should make her a legend. Will we be seeing her again soon?

Kyle, Bury-St-Edmunds

You will indeed, Kyle. We can't get enough of Mia either, so we've snapped up some more red-hot photos of her. And yes that bum really is something, isn't it. You could rest a pint on it…



LOVE JONES!

Dear Club,

Loving the pictures of January Jones' boobs in the last issue of Club. I love *Mad Men* – and not just the women – but everyone seems to fall over themselves about Christina Hendricks and ignore January. While I can appreciate a more buxom woman, I think the cute smile on Miss Jones' face (in a rare happy moment for her on that show!) is worth a million pounds. Can't wait to see that film!

Mark, Southampton

You make a good case for 'Betty', although we weren't too sure when she had that fat suit on at one point. We'd happily go home to her, although a foursome with Joan, Betty and Peggy would be one hell of a night as well…

Within seconds, I had Craig's spunk filling my mouth, and Tom drove it in even harder as he watched me drink it down. It felt so powerful that I could make Craig cum so quickly that my confidence grew incredibly. The next thing I knew was Tom pulling his cock out of me, and clambering over my body, wanting the same as his friend.

Ready for it this time, I pushed my tits together, opened my mouth and extended my tongue. His spunk seemed to hit me everywhere and Craig watched wide-eyed as I smiled with pleasure. My legs were still wide open, my pussy wet and aching for more cock, making me feel like a total slut! I loved it!

I made them both ride me in turns, sucking their dicks to keep them rigid while they waited for their chance in my cunt, demanding they make me have multiple orgasms. They were more than happy to oblige. I've never taken so much spunk in one session! I've only got one problem now. How do I go back to just one man!

We're in a very privileged position. It's not often you get access to the dressing room of a girl like Sasha. A peek into her boudoir, if you will...

"It's not all that special!" Sasha laughs. "I'm more of a jeans and T-shirt kind of girl anyway, and you don't need a dressing room for that. But I do use this to put on my most expensive, seductive lingerie. If I'm in here for a while getting ready, my man knows he's in for one hell of a night!" ♣

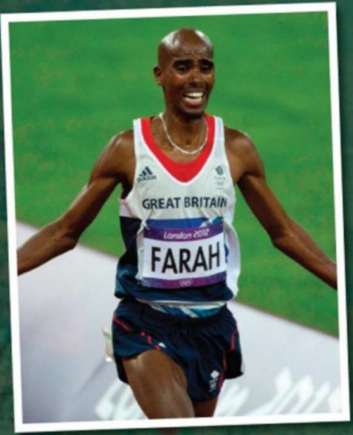
Club's ROUGH GUIDE

What's that you say? A week of live athletics and the return of Premier League?! Honestly, just as Matt Loxham was thinking about turning the telly off and going for a nice walk...



World Athletics Championships

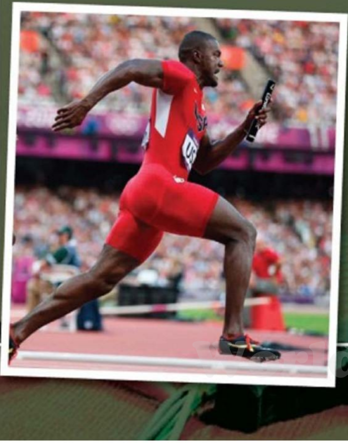
Moscow 10th to 18th August

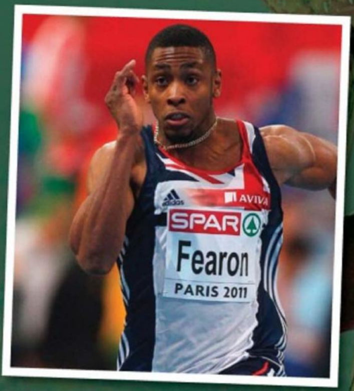
Thanks to the Olympics and in particular the legacy of the imaginatively titled 'Super Saturday', athletics in Britain is enjoying something of a renaissance. Stadiums the length and breadth of the country are packed to the rafters with eager fans turning out to see the likes of Mo Farah, Greg Rutherford and Jessica Ennis-Hill strut their stuff, and not since the glory days of Coe, Christie and Crammy (and, er, Ovetty) have events enjoyed such extensive television coverage.

As a result, the forthcoming World Athletics Championships are the most anticipated in years, with Britain's armchair-based athletes hoping for a repeat of the thrills and spills witnessed on track and field a little over twelve months ago. Expectation is high – but can Team GB deliver another summer of success in Moscow?

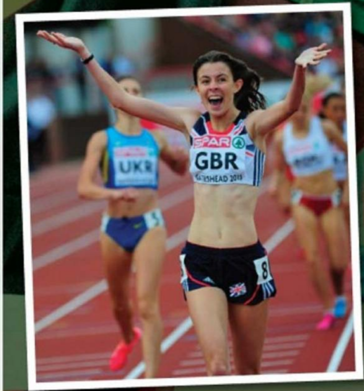
With Ennis-Hill and Rutherford both currently nursing injuries – ankle and hamstring respectively – and touch and go for the championships, much of the focus will be on Mo Farah and his ambitious tilt at the 5000 and 10000 metres double. A recent surprise defeat over 5000 in the US (Farah did apparently have the shits) was quickly rendered irrelevant when he triumphed impressively over his main rivals, Ethiopians Hagos Gebrhiwet and Yenew Alamirew (Bless you), at the Birmingham Golden League meeting back in late June. There's no doubt that a healthy Mo is still the best in the world over both 5000 and 10000 metres, although with his rivals getting better all the time, emulating the amazing feat he achieved in London last year will be a much tougher prospect in front of a slightly less partisan crowd.

With Farah leading the way, inspirational performances from all our more experienced stars will be crucial to Team GB success and progress in Moscow. Christine Ohuruogu has had a decent season but will have to be at her very best if she's to win what should be a hugely competitive 400 metres, and Dai Greene, inconsistent but finding form lately, will have to pull something very special out of the bag if he's to defend the 400 metre hurdles title he won in Daegu two years ago. In the women's event, the rapidly improving Perri Shakes-Drayton will be looking to overcome the disappointment of not qualifying for the Olympic final and finally establish herself amongst the ranks of the world's best. Naturally, Ennis-Hill and Rutherford will be obvious medal hopes in the heptathlon and long jump respectively if they can shake off their troublesome niggles.





If Team GB's established stars can set the example then this could well pave the way for several of the squad's emerging athletes to shine. James Dasaolu, who recently clocked 9.91 seconds over 100 metres, is up against the might of Usain Bolt and Justin Gatlin. If he qualifies for the final it will be a major achievement for the rapidly improving Londoner, but he might need a jetpack to get a medal – the Bolt vs Gatlin clash is likely to be one of the memorable moments in Moscow. At just 18 years young, Jessica Judd has her sights set on a final appearance over 800 metres, while Holly Bleasdale has podium potential in the pole-vault.

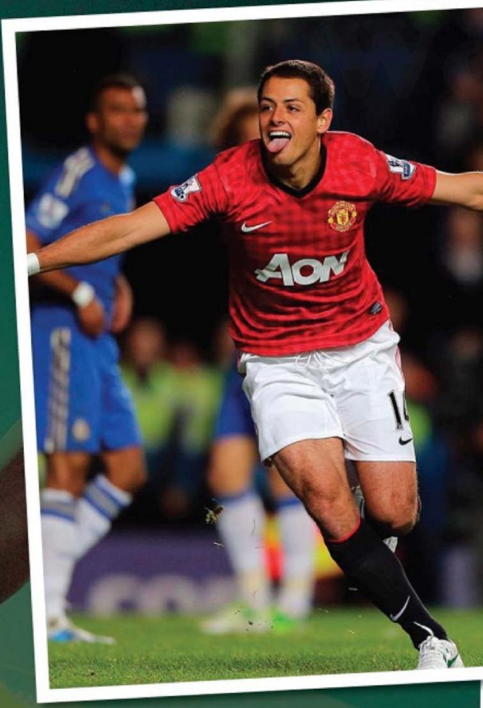


The Premier League

Various Venues 17th August

Big player transfers usually dominate the headlines during the summer break, but when the Premier League kicks off on the 17th August the main focus of attention will most likely be on a trio of recently appointed managers with much to prove in their new posts.

oldMags.net

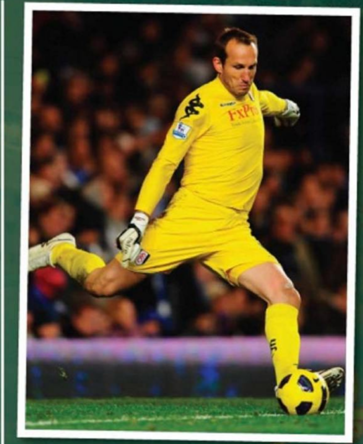


When Alex Ferguson announced his retirement after guiding Manchester United to yet another title last May, Everton's David Moyes was promptly appointed as his successor, and it will be fascinating to see how he fares in the hotseat. The gritty Scot's first job is to retain the services of unsettled striker Wayne Rooney, and at the time of writing it was a toss-up between his staying at United or moving to Chelsea, Paris Saint-Germain or basically any other half-decent club with silly money to spare.

If the Rooney saga and an early pre-season defeat to the Singha All Stars (No, I haven't got a fucking clue either) has given Moyes a bit of a baptism of fire off the pitch, United's first Premier League fixture, away to Swansea, means that Moyes won't be eased in gently on it either. A good start is crucial if he's to keep the fans – and tabloids – off his back.

There's a new face in the dugout on the blue side of Manchester too, with City boss Roberto Mancini getting the boot to be replaced by Manuel Pellegrini, a man with pedigree in South America but who has never won a trophy in Europe during nine seasons of trying with the likes of Villareal, Real Madrid and Malaga. Nice choice guys! Ferran Soriano, the City chief executive, has apparently set Pellegrini the target of five trophies in five seasons, and in a bid to achieve this unlikely feat the new boss has spunked 30 million quid on a talented but relatively untried Brazilian called Fernandinho (meaning son of Les Ferdinand) from Shakhtar Donetsk. Good luck Manuel.

Possibly the biggest managerial signing of them all, however, has been at Chelsea, where Jose 'The Special One' Mourinho returns to replace Rafael Benitez, cueing wild celebrations in South West London. Despite finishing fourteen points adrift of champions Manchester United last season and at the time of writing not having made any significant signings – unless you count 40 year-old journeyman goalie Mark Schwarzer - the 'second coming' of Mourinho has seen Chelsea installed as the bookies favourites to lift the Premier League trophy this time around. Amazing what a bit of charisma can do...



> **"The 'second coming' of Mourinho has seen Chelsea installed as bookies favourites for the league. Amazing what a bit of charisma can do"**

One manager who looked to be on his way out last season, Arsene Wenger, now appears to be staying, and he's been given some money to spend to boot. Indeed, Arsenal are involved in most of the transfer gossip at present, with anyone from Liverpool's Luis Suarez to Real Madrid's Gonzalo Higuain seemingly poised to sign for the Gunners. If Arsenal do manage to bag a couple of star players then they might be a force to be reckoned with, along with rivals Spurs, who recently beat off a host of big clubs to sign Brazilian midfielder Paulinho.

Attempting in vain to breach the 'Big Five' will be Everton with new manager Roberto Martinez. Liverpool have been active in the market with Kolo Toure and Celta Vigo's Iago Aspas, amongst others, making the move to Anfield, although whether they have the added quality to improve on last year's seventh placed finish remains to be seen.

While the Premier League title race is looking refreshingly open this season, the battle to avoid the drop is even more difficult to predict. Any club from about ten could find themselves flirting with relegation come next May, with new boys Hull, Crystal Palace and Cardiff pretty much nailed on to be in the mix. A great season lies ahead – some will enjoy it more than others... ♣

Debutants don't come much more charming than Lane, who hails from the USA. She came over and shot at our very own studios and managed to disarm seasoned grumble mag staff by standing and chatting in her birthday suit for a long time after the shoot had finished. While most models are pulling on their Juicy Couture and jumping into their soft-tops to drive off the minute the shoot is done, Lane was happy to spend time making us squirm. The secret is in the eye contact – don't let her know that you're dying to look down at her tits and fanny. After all, we've got the photos for that... ♣

It seems like an obscenely long time since the original *Company of Heroes* arrived on the PC gaming scene and promptly blew most other RTS games out of the water. Set around the Allied liberation of Europe, it was an instant classic – easy to pick up and play, but with lots of depth, replayability and an online capability that meant you could play it for ever, even when you'd finished the (excellent) single-player. The long-awaited sequel has a lot to live up to.

COH2 relocates the action to the Eastern Front, and introduces nice gameplay tweaks such as the perils of ice. You play as the Russians, at first retreating and then advancing to kick the Nazis out of the motherland. The single player, however, is much the same as the last game – there's a scenario to complete, and you need to grab resource points to give you fuel and ammunition. And maybe that's why *COH2* is a bit of a disappointment. Relic, the games developers, have had years to add something new to the mix, but seem to have operated under the dictum of 'If it ain't broke...' So the graphics seem the same, the gameplay seems the same, the multiplayer and skirmish levels seem the same. If you wanted more of the same, well, you've got it. But there's a nagging feeling that this is just an 'update' offered at full price. ★★★

A FIELD IN ENGLAND
A FILM BY BEN WHEATLEY

TAKE A TRIP... INTO THE PAST

Ben Wheatley's latest movie is experimental in many ways. It involves experimental drugs, it's a diversion from his other films, and it dabbled with a new form of distribution, landing in cinemas, TV, digital downloads, DVDs and Blu-rays all on the same day. It is, literally, a bunch of men in a field during the English civil war, eating mushrooms and spazzing out in various ways. Wheatley has perfected a certain uneasy queasiness in tone here and in *Kill List* and *Sightseers*, and he's well served by Michael Smiley and Reece Shearsmith as the leads. Interesting, to say the least. ★★★

THE COMPLETE SERIES
12

After *Firefly*'s premature cancellation, Josh Whedon managed to get the film *Serenity* off the ground, which tied up some loose plot points and gave fans a little extra of a show that had cult hit written all over it. Fox dicked the show around – showing it out of sequence, dropping episodes – but in cancelling it they deprived the world of a show that was really finding its feet, thanks in no small part to the lead performance of Nathan Fillion as Serenity's captain, Mal Reynolds. Great supporting work from Alan Tudyk and Summer Glau meant this could have run for years. Enjoy what there is of it. ★★★★

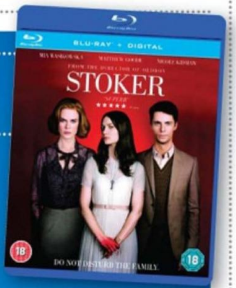
The Village Series 1

(Entertainment One, DVD £16.97)

The Village divided critics during its recent run on the BBC. While some loved its ambition and glacial pacing – it's an attempt to emulate the great German series *Heimat* – others found it relentlessly bleak and hated the glacial pacing. Its true home is on DVD, where it can be enjoyed in chunks, and the fine performances of John Simm and Maxine Peake start to gather momentum. An antidote to Downton dullness. ★★★★

Stoker

(20th Century Fox, DVD £10, Blu-ray £16.81)



A curate's egg from director Park Chan-Wook (*Oldboy*) and writer Wentworth Miller (star of *Prison Break*), Stoker takes its template from Hitchcock's *Shadow of A Doubt*. There's a sinister tone to it, heightened by other-worldly performances from Mia Wasikowska and Nicole Kidman. Not a masterpiece, but truly original. ★★★

Grave of the Fireflies

(studiocanal, Blu-ray & DVD £12.75)

Originally shown in a Studio Ghibli double bill with the charming and whimsical *My Neighbour Totoro*, *Fireflies* is perhaps the polar opposite. Set during World War Two, it follows Seita and Setsuko as they try to stay alive as the Allies bomb the city all around them. It's more realist than most Ghibli's, but still finds time for magic and lyricism. But what it is is distressing, heart-rending and utterly beautiful . ★★★★★

Classic Corner

Cross Of Iron

(Optimum, Blu-ray £8.60)

Peckinpah made many fine films about war and the brutality of men, but *Cross Of Iron* is perhaps the one that most needed a digital restoration. It looks great on Blu-ray, but what is the same are the brilliant performances of Maximilian Schell, David Warner and James Coburn as German soldiers as the war winds down. Some still seek personal glory – the titular Iron Cross – others are just trying to survive to the bitter end. One of the finest war films ever made.

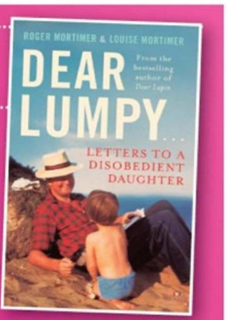
Dear Lumpy

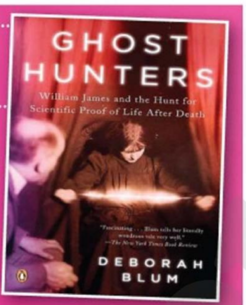
Roger & Louise Mortimer (Constable, £12.99)



The late Roger Mortimer's letters to his wayward son, collected as *Dear Lupin*, were one of the most joyful reads of the last few years – full of warmth, wit, laugh out loud moments and capturing a certain kind of Englishness. These letters to his daughter are more of the same, giving the reader more news on Nidnod, Hot Hand Henry and the small triumphs and despair of everyday middle English life.

Ghost Hunters

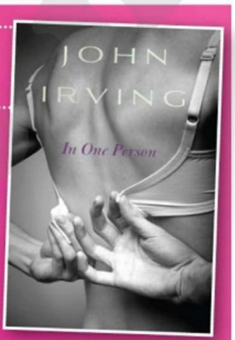
Deborah Blum (Arrow, £8.99)



Deborah Blum's account of ghost hunters, psychic researchers and eminent Victorians might be painstakingly researched and constructed, but it sucks the reader in by also offering something of a narrative. We follow key characters from the battle of science and the supernatural in the late 19th century, and the Pulitzer Price winning Blum writes in an engaging style. Ghost don't exist, this book does.

In One Person

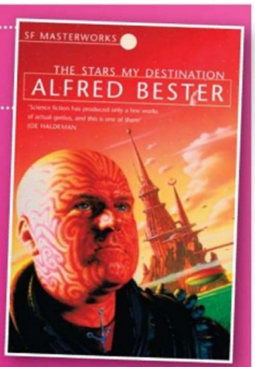
John Irving (Black Swan, £7.99)



It seems a long time since Irving's sales heyday – the times of *Hotel New Hampshire* and *The World According to Garp* – but this elder statesman of letters still cranks out truly excellent books, not all of them obsessed with wrestling and bears. The narrator, Billy, takes us on a voyage of discovery, longing and regret as he explores his bisexuality over decades. Irving is still a master in total control of his prose.

The Stars My Destination

Alfred Bester (Gollancz £7.99)



Regarded by many as one of the greatest science fiction novels ever written, Bester's masterwork is, happily, back in print. Our protagonist, the heavily tattooed Gully Foyle, is hellbent on revenge on the ship and crew that stranded him. The universe we explore is hugely imaginative, populated with one-offs who will stay with the reader long after they've put down this unique gem. ♣

Clearly it's a matter both of economics and patents that people attempting to compete with the iPad haven't just copied the iPad and then added something to make it better. Instead, everything just falls a little bit short. This tablet looks the biz, but dig a little deeper and it has some annoying glitches. The speakers are woeful, the 1920x1200 screen isn't exactly at Retina levels and you have to dig under hatches to find some of the parts. On the plus side, it's very light, waterproof and may be a better choice if you use this during long-haul flying, as its battery life is way better than the iPads. But a mixed result isn't really enough.

Pros: Battery life, sleek looks.

Cons: Screen resolution, crap sound.

With this truly excellent camera, Fujifilm are giving us the best of both worlds. It's a fully featured modern camera, but with classic retro styling. Yup, it's back to the future. Not all is perfect – the auto modes can be frustrating, leading you to do some manual tweaking yourself – but then again you might actually learn how to take a photo and the principles than underpin it. Images are sharp for stills although there are better cameras at this price point when it comes to video. But with its beautiful build, design, wide aperture, great optical viewfinder and more, this comes highly recommended.

Pros: Looks and feels the biz.

Cons: Doesn't really compete in terms of video.

It's now pretty common for people to drop three figures on a pair of headphones (to listen to their 128k rips!) and while we can poke fun at how Beats by Dre doesn't deliver in the price per punch category, at least they're a step up from those shocking, leaky earbuds you get with your iPod. For real quality, you're looking at Sennheiser, Bowers & Wilkins or B & O, who've been doing this for a good long while. Courtesy of the latter, these performed phenomenally well with every genre we threw at them, and the build quality is nice, if a little plasticky in places.

Pros: Sound was nigh on perfect, good looking cans.

Cons: At the top end, price-wise. ♣

WHAT'S SHE LIKE? Too hot for most men to handle – unless they're game...

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
To be wanked over, as simple as that!

REALLY, THAT SIMPLE?
Yes, without a doubt. I wank over *Club* all the time, and a couple of my ex's do. What could be better than looking at a hot girl and wanking?

WE AGREE, BUT WHAT ABOUT THE COMPETITION?
You mean the other girls? Look, some of them might be fitter, but there's no way they're as dirty as me. I'll do things they'd never dream of. And look at how slim some of them are – they'd break doing the things I love.

THIS IS BIG TALK. CAN YOU WALK IT?
I talk it, I walk it. I can outfuck most hardcore guys. Anal? They cum before I do. In fact, most guys blow their loads over my tits or arse before I'm even close. Time to step your game up! ♣

SWAPPY SECONDS!

I always go out on the pull with my flatmate and we love getting a couple of girls back to our place, getting our wicked way and then sharing stories in the morning. We normally have a policy of strictly one-night stands, however for the two girls we brought back a couple of weeks ago, we've had to make an exception. The next day, we discovered that both of us had taken each girl anally and they had both swallowed! However, the next time was even better.

After a few preliminary drinks down our local, we were back at our flat by nine o'clock, with both of us gagging for it. Sally, who I fucked the first time, however, was all over Tim and it seemed like Melanie, the other girl, didn't mind. In fact, she was almost encouraging it, giggling with Sally over the slightest thing. Melanie was all over him also, and when he tried to take her off to his room, Sally took hold of his face in both hands and kissed him full on the lips. Meanwhile, Melanie was behind him undoing his flies!

I couldn't believe what I was seeing, and when Sally knelt on the floor in front of Tim, he gave me a huge grin, his eyes wild with excitement. Melanie had now come around in front of Tim and was pulling Sally's hair back from her face. When she had it all in her hands, Sally dipped her head over Tim's dick, taking the full length immediately. Melanie was urging her to, "Suck his cock, Sal," and instructing her how to lick it and when to take his balls in her mouth. Melanie then glanced in my direction and could see I was looking concerned at being left out. "Don't worry, it'll be your turn soon," she said, which made my prick ache and throb with anticipation.

I didn't have to wait long, as Tim was so excited he shot his wad in minutes, with Sally dutifully taking it down her throat, just as she had done with mine a week earlier. Melanie was pulling off her jeans and knickers. I'd never seen girls act like this before!

Melanie lay on the floor and smoothed her thighs open, waiting to be fucked. I barely got my trousers to my knees before I was up inside her, holding her arms down over her head and banging away at her pussy. Just like Melanie did before, Sally was urging me to, "Fuck her harder," and was lying next to her, stroking her hair and smiling as Melanie's eyes began to glaze over. Gripping me with her legs, she began to climax, letting out heavy groans as my shaft became slick with her juices.

I wanted both girls, and taking my still rigid dick from Melanie, I manoeuvred Sally on to her knees and took her lovely round bum into my hands. I then teased her pussy lips with the tip of my cock, before pushing deep inside her. I dragged nearly the full length back out before driving back inside her, and repeating it over and over again as she squealed with delight. Melanie, who was barely recovered from her first orgasm, soon had Tim's meat sliding inside her, and let out a low moan of ,"Oh, fucking yes Tim," as he drilled her.

Seeing these girls behave like total sluts became too much for me and, taking my shaft from Sally's sweet hole, I gripped the base of my dick, causing my spunk to jet against both her holes. Tim was filling Melanie with his second load, and as she took it she looked at me, pushed her tits together and ran her tongue over her lips. Sally turned around to lick me clean, and Melanie continued to tweak at her nipples and play with her clit for me, while Tim kept his prick inside her.

Now we've found these two girls, we no longer get to share our dirty stories of conquest the next morning. However, with all this action, I think I can live with it!

Marcus, Stockton-on-Tees

CUNT OF HOUSE!

From the day I started my new job as a

> “I then teased her pussy lips with the tip of my cock, before pushing deep inside her”

waitress, I noticed the running joke in the restaurant about our female manager and her active sex life with other women. Some of the girls then told me that they're sure I'd been hired because of my ‘cute arse’, and that she'd never ‘had a redhead’ before. Whilst this made me feel a little put out, I found myself wondering whether it was true, and surprisingly the thought of it didn't make me uncomfortable at all.

About a week into my job, I'd been told that in order to work ‘front of house’ some shifts I would have to be till trained, and this would mean staying behind to learn. I was surprised to find that Liz, our manager, was training me herself, and that it would take place in her office. I was a little nervous, but was immediately greeted by Liz who showed me to a seat in front of an automated till. As she leaned over explaining the functions of each button, she was very professional and I was scorning myself mentally for listening to the other girls. However, I then got a real shock.

“Look, I'll be honest with you Annie,” she began, “I find you very attractive, but If you're not interested, I certainly won't pursue it anymore.” It was so matter-of-fact, that it was by far the politest come-on I'd ever experienced, and I didn't reply at first. “I'm sorry if I've made you uncomfortable,” she apologised. I turned around in the chair, and on seeing her staring deep into my eyes; I felt butterflies in the pit of my stomach. I'm not sure where it came from, but I half-closed my eyes, leaned forward and offered my open mouth for her to kiss.

Her response was immediate, and she treated me to the most sensual kiss I've ever experienced. She then pulled away, looked at me longingly, before dropping to her knees in front of my chair. As she parted my thighs, I felt like I was having sex for the first time, as I'd never been with a woman. Liz's gentle touch was making my body twitch and quiver with delight. Pushing my panties to one side, she foraged for my clit with the tip of her tongue, and began to work it slowly at first. I wrapped my thighs around her face as her mouth enveloped my mound, her tongue deep in my cunt. Returning to my clit, she flashed her tongue against it so quickly that I had to hold on to her hair, as I was shaking with pleasure on the chair. I was riding her face, and she didn't pause once, working herself into frenzy against my pussy. Sensing I was on the brink of orgasm, she immediately lifted her head away.

“Do you want to be fucked?” she brazenly offered. Still panting, with my twat aching for her, I nodded, almost begging. I had never seen a strap-on, apart from in magazines, and watching her take off her skirt and buckle herself into it over her tights was horny as hell. Undoing her blouse, she approached me, stroking the rigid shaft. She was certainly in control and pulled me up, turned me round and bent me over in one swift movement. My hands were on the chair, and taking hold of my hips she began to work the plastic cock inside me. I could feel her manicured hands digging into my arse whilst she pumped my sodden pussy.

I was squealing with delight as she continued fucking me. I had to get at my own clit, and played with it whilst she urged me to cum. In seconds, I was covering the strap-on with my juices. With the final shudder of my body, she withdrew the strap-on from inside me. She stood beside me, the strap-on protruding, and her chest covered in sweat. I felt like a total whore, and couldn't quite take in the experience I'd just had. However, I also couldn't wait to get that strap-on around me!
Annie, Gateshead

POINT OF SMOO!

Hi, I'm Katy, and I've been expecting you. Hope you don't mind that I've started without you. You see, I was getting all randy sitting around waiting for you, so I slipped my hand inside my thong and gave my clit a bit of a frig. And then I had to do it a teeny bit more, and before you know it – well, let's just say that I'm primed and ready for you, lover.

Right – now you know what a dirty cow I am, I think I should tell you that I've got plans for you. That's why I was waiting – and now that you're here, I can see that you're not going to disappoint me. All I need to know is: does the thought of getting down and dirty with me get you nice and hard? Ohh, I can see it does. That's a result, because that means you're going to get to fuck me!

I can feel that tight hole between my legs juicing up nicely already. It'll be so nice to feel the girth of your dick stretching my cunt, and to feel its length inside me, the tip tickling my G-spot on each powerful thrust… oops, I'm getting a bit carried away with myself – that's for later. For now, how about I get naked for you – would that be alright?

Just give me a second to get this dress off… there. How'd you like my tits? Hope you like them pert and firm like mine. Now, why don't you make my nipples nice and hard? Go on, feel how firm my tits are. Mmm, it feels good when your hand brushes my nipple. Oh! That's it.

The feel of your tongue would be even better, though, so go on; suck my nipple. Oh, you want to see what my pussy looks like, as well? Greedy sod! I bet that's not all you want with my pussy, is it? Well, go on then, you can peel my thong off – that's it. Now, what d'you reckon to this little 'landing strip' of pubic hair? I shave my minge that way so the whole works are on show.

Well, now I'm completely starkers, how about you? It hardly seems fair; you there fully clothed. And anyway, I'll need access to at least one piece of naked flesh or this isn't going to go as I'd planned it. Let me give you a hand with those trousers. Button – now the zip – now let's see what's in these pants… ohh, am I going to have a good time with this! Kick 'em off, so I can get completely free access. Now that I can see your erect cock I've got to have a taste. I just can't resist!

Mmm, do you like it when I swirl my tongue around the head of your cock like this? You do, huh? How about when I just catch its rim with my teeth like this? I reckon you do,

WorldMags.

judging by that salty taste of pre-cum in my mouth.

That's made my mind up. Before we do anything else (and we will!), I'm going to suck you off. I do apologise for the delay! First I'll lick your cock all over – and your balls too, giving you a bloody good tongue-bath. Then I'm going to take your helmet into my mouth and French kiss it while wanking your shaft with my hand.

How's that sound? When your cock's as hard as it can get, you'll be feeling your orgasm building up in its base. That'll be when I'll switch to deep-throating you. On each stroke I'll take your cock in as far as I can, till I'm almost gagging. Then I'll slide it out, my lips caressing the saliva-slick edge of your helmet. While I do this, I'll also be gently tugging on your balls.

My sucking will build in pace, steadily at first, then frantically, until you're pumping in and out of my mouth, fucking my face hard and fast. By this point you'll feel your jizz burning its way up your shaft, to suddenly fountain inside my mouth, powerfully spurting your rich, thick spunk over my tongue and down my throat. You ready for that? Here goes, then… I know you're going to cum loads. Come on – I want to taste all that lovely spunk, feed it to me… yeahhh, here it comes – oh, mmmmngh! Now, kiss me full on my mouth. I want to share the taste of your jizz with you – mmm. I'm sure you'll return the favour and share the taste of my cunt with me later.

> **"My sucking will build in pace until you're pumping in and out of my mouth, hard & fast"**

Well, now you've got the taste of your own jizz in your mouth, how about spreading it to my cunt. It's feeling a little left out of the action at the moment – but fuck, is it wet! Oh yeah, the touch of your tongue just sent a thrill right through me. That first lick parted my pussy lips as you moved your tongue up and over my clit. That's it, probe it deep inside my hole – tongue-fuck me! How do I taste? How does my cunt taste? Kiss me so I can see what I taste like! Ohhh…

I love the feel of the tip of your tongue as it passes over my swollen little bud. Switch from mostly tongue-fucking to mostly clit-licking… uhhh. Ohh, my cunt feels really empty now, though – how about finger-fucking me as your tongue works over my clit?

Oh God, that's two fingers, isn't it? Go on, push them right in to the knuckle. Push hard! God, I can feel it – fuck, I'm gonna cum soon. My whole cunt's twitching and my clit is fair burning up. Come on, ram those fingers into me hard! Your hand must be aching, but don't stop… it won't be long now. That's it – now!

Ooohh. Let me lick all my own juices off your fingers. Yum. Now, if I recall correctly, you were going to fuck me, weren't you? Well, in that case, I think we'd better get on with it, because I don't think I can wait any longer to feel your stiff dick deep inside me.

I'll get on all fours – I love it from behind. Doggie's definitely my favourite position. Woof woof! Oh yeah, I can feel the tip of your dick at my pussy lips. Ram it in – go on, stick it in me! Aaaahhh.

Okay, just rest there for a moment. Let me feel you filling me. I love the feeling in my cunt lips when they're stretched around a nice, fat cock. That's it – slooowly now, just slide in and out nice and easy. Yeah, just like that. I like to build the pace up nice and gradual, like – that way, when I eventually climax, I cum so much harder.

Alright, you can get a little faster now – oh yeah. And harder. No need to be so gentle – my cunt won't break! Mmm, your hands are rubbing on my tits; your fingertips gently pinching my nipples, working them up to maximum hardness. You don't know how totally fucking hot that feels. Oh, bloody hell, yes – your dick's digging deep, plenty deep enough now that you're banging my G-spot. Can't remember the last time I got fucked so good! Come on, pump me faster now, harder. Use one of them hands on my clit, give it a good old frig… come on, you wonderful, horny fucking bastard, you're going make me cum so fucking good!

That's it – bang into me as hard as you fucking can! Don't hold back – don't hold anything back. And don't hold back on cumming yourself, either – I want to feel that flood of fluid in my cunt. Oh yeah, feel my cunt clamp tight around your cock as I cum… oh yes. Yesss! Now fill me with your jizz – uhhh… I felt that burst out. Fuck, what a fuck! Hope I get to fuck with you again, stud – the sooner the better!

THE GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

Maggie Gyllenhaal might have the kind of name that it's almost impossible to ever get exactly right, but she's also got a fine body of work that showcases her fine body. We first clocked her in the brilliant *Donnie Darko*, but she topped that with the fabulously loopy *Secretary*, where she entered into a dark sexual relationship with James Spader. But it doesn't end there – she also strips nude in the decidedly unsexy *Strip Search*, and then in the decidedly very-much-sexy *SherryBaby*. Acting chops and likes to take off her tops? That's why we love Maggie… ♣

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

4 ON THE FLOOR!

I know how much you enjoy student stories and would like to share my encounter with three of the prettiest language students in our halls of residence, Amanda, Emily and Ellie.

They were the best of inseparable friends and one night they approached me in the bar to make the most amazing proposal! Each had been confessing the extent of their sexual experience and it was revealed that none of them had ever had anal sex. Deciding that it would be an incredibly horny adventure to lose their arsehole virginity simultaneously and all together, they requested if I would be the man to do the honours!

I have the reputation of being something of a stud and it was common knowledge that I had the most enormous meaty phallus, which had given the most amazing pleasure to some of the most attractive girls at our college. I was only too pleased to accept and invited them all to my room late the following evening.

Amanda was an attractive blond girl with a wholesome hourglass figure and an attractive big bottom. Emily, on the other hand, was the prettiest, with a slim petite body and was shy and nervous. And finally Ellie, an athletic beauty with a really gorgeously toned body and perfectly proportioned muscular bum.

The next night, when I got the knock at the door, the three of them were giggling with excitement. With a brief greeting they all stripped off down to their underwear. With a smile at me, Amanda turned to her friends and said, "Ok, come on girls… here we go!"

With that each of them simultaneously pulled their knickers down and off. Turning around they all knelt in a line in front of my bed, crouching low, pushing up and flaunting their bottoms at me. Then to finish, in unison they pulled their bum cheeks open!

It was the most glorious spectacle. Three of the most beautiful bottoms imaginable all in a line and waiting to be penetrated! My meaty monster was already painfully erect, so I pulled off my underwear, unleashing it ready for action.

Amanda was first in line, uninhibited and boastfully pushing her lovely big buxom bum up at me, legs apart and luscious hairy pussy below. She had a big star-shaped, puckered arsehole, which seemed to wink as she proudly wiggled it at me! I smeared some of her copious pussy juice from her fleshy labia to lubricate her prominent bumhole.

> **"I looked into her lovely face as I slowly eased my swollen bell-end into her virgin arsehole"**

She seemed to really enjoy my massage and very soon I had slipped one then two fingers inside her fleshy sphincter. Her anus felt warm and dirty and I loved stretching her open. She wriggled her arse, squeezing my fingers with some happy giggles.

Then, kneeling behind her, I eased my big throbbing cock deep into her warm, well-lubricated hole. She was so enthusiastic, squealing with pleasure and soon started to hump her buttocks back against my vicious thrusts. Soon I was buried deep within her ample derriere and fucking her very hard indeed!

For several fantastic minutes we enjoyed a rampant bum fuck… with a huge smile on her face she yelped and hollered as I mercilessly drove into her again and again.

I knew I couldn't last much longer so reluctantly pulled out to assess my second conquest.

Next in line; sweet, pretty little Emily was a very different prospect. Kneeling, her lovely little bottom in the air, she looked so shy and terrified. She had small firm buttocks, a deep shaven slit, hiding a plump glistening labia and a tiny little, pink, pin point arsehole. Her cute little body was shaking with trepidation.

I decided that I needed to lick her hole to get it adequately lubricated. But she squealed and flinched nervously as I poked my tongue

into her sphincter, when I tried to push my finger in she jumped to her feet.

"Are you sure you want to do this?" I asked, but she insisted that I did it. I tried to position her to open her up as wide as possible, laying her on her back with her knees behind her ears and raising her bottom off the floor with her haunches spread-eagled and this stretched her anus open.

I looked into her lovely nervous face as I slowly eased my swollen bell-end into her virgin arsehole. Her face contorted with pain mixed with pleasure as I forced my tip inside her. "Oh fuck me!" She gasped as her little tits heaved with the effort and she was hot and breathless. She was incredibly tight and gripping my helmet like a vise.

Emily howled and grimaced as I gradually impaled her tight virgin anus with my glistening sword. After a lot of effort she had engulfed me up to the hilt. With her lovely eyes starring gratefully into mine, she said with touching appreciation, "Oh wow, that feels just amazing," playfully squeezing my cock in her tight clamp. "Now shaft me!"

I began to plough with some difficulty in and out of her tight hole, working her with hard, slow strokes against her vise-like grip. Emily gasped and relaxed a bit with each pump. "Oh fuck me as hard as you can!" she pleaded. Eventually I drove down to the hilt, screwing her arse balls deep. For a few minutes we fucked like two little rabbits, squeezing in and out of her raw overstretched anus. Finally her face looked serene and satisfied; gratefully she reached up and gave me a tender kiss, in appreciation.

I then moved to my final conquest, Ellie. A fabulous athletic goddess with just the most sensuous and perfectly toned body, and a beautifully proportioned derriere. She confidently thrust her bottom up at me, tight muscular globes with neat little pussy lips below.

Unlike the others, her anus was swollen, pink and protruding, her anal ring pouting at me. Her bulbous ring fascinated me. I reached out to touch it and my finger slipped so smoothly deep into her gaping hole. Her sphincter was really lax and my digit loved explored her hot, velvety inner depths. She knelt, gasping with enjoyment at my dirty inner poking.

Positioning myself behind her, I forced my fat bell-end into her pouting anus. Her sphincter relaxed and her colon seemed to suck me up to the hilt. Her rectum was silky smooth and seemed to completely control my throbbing cock, contracting skilfully around my shaft and creating the most blissful sensations. "Fuck me hard!" She ordered.

Her anus was so yielding it was like melting into a mountain of cream. I grasped her hips and started pumping in and out, with the ease of a well oiled engine. She gently rolled her bum and I swear she was purring with pleasure. A complete natural, she squeezed, caressed and controlled my penis with every poking stroke. For several glorious minutes we copulated gracefully and she whimpered and moaned as she lunged back hard on every thrust.

“A complete natura, she squeezed, caressed and controlled my penis with every poking stroke”

My head was throbbing and I knew that I couldn't take much more. Pulling out I lay out on the floor with my cock standing as proudly as Nelson's Column (I know that sounds boastful, but I've been lucky in that department – and it was an ex-girlfriend who came up with that simile). It was now payback and time for the girls to reward me for services rendered.

The more confident Amanda and Ellie took charge of my meaty monster, demonstrating just what salacious nymphomaniacs they are. Sweet, shy, little Emily seemed a bit scared of my meat and preferred to squat over my face and gently lower her wide-open pussy onto my greedy tongue and I explored her intimate depths.

Her face was a picture of delight and she whimpered as I explored, loving the taste of her warm, wet, plump fleshy petals. She couldn't stop wriggling her hips, smearing her pussy juice all over my face. It was heavenly! Meanwhile Amanda, opening wide her voluptuous thighs, slowly impaled herself balls deep on my thick dick, ramming herself with wild abandon, her drenched pussy gripping my shaft with loud, satisfying squealing!

As Amanda rode me, Ellie was busy kissing and licking my heavy balls. When Amanda had finished she slipped off me and joined Ellie to give me the most mind-blowing, wet, slurpy, stimulating blowjob. Two hungry mouths and tongues, licking, sucking and kissing all over my rigid erection.

My poor knob could take no more and jumping up I stood over the three girls, preparing to give them a spunky baptism. They all continued to lick, suck and kiss my throbbing cock until I finally exploded. The blast was like a volcano! My scalding, creamy jizz spurting all over Emily's face, pointing next at Amanda, squirting a jet over her and finally I turned to Ellie, splattering her with my final thick ejaculation.

It was beautiful to look at, three pretty girls with faces covered in my creamy cum. Then each took it in turn to suck and lick any remaining cum from the eye of my cock. In a final lewd act, the three cum hungry princesses turned to each other, greedily licking and kissing every drop of jizz off their faces and out of their hair. An incredible end to a perfect night.

We have repeated the experience since and they all seem to have plenty of excitement elsewhere. But now I certainly see them all in a new light around the university campus, knowing what wanton sluts they can be. But most of all the very deep satisfaction that my dick has conquered each of their glorious and unique bum holes.

ANGELINA ♣

Angelina is jolly...

While these pages are no stranger to US porn stars – there's a whole heap in this issue alone – Angelina has to be one of nicest we've ever met. There's no attitude, no eye-rolling. She's lovely.

"Thanks guys," she gushes, "It's so nice to be in *Club* again after a few years. The girls you have are amazing. I used to go through every issue and highlight the ones I wanted to fuck. Unfortunately, a lot of them are in places I've never been to."

Like where?

"Like the UK. Some of your British girls are amazing!"

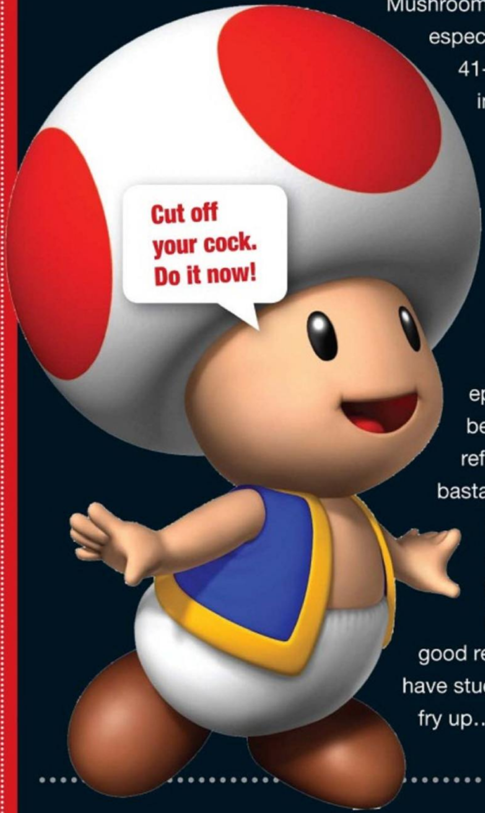
Oh, we can very much make that happen... ♣

ANGELINA

What our well-placed moles are telling us this month...

DOWN THE WIRE

DEATH CAP!



Cut off your cock. Do it now!

Mushrooms can be tricky little critters, especially the magic variety. A 41-year-old man is recovering in hospital after a mushroom high went terribly, terribly wrong. Police were alerted after a naked, bleeding male triggered an alarm outside a school, at 1.00am in Columbus, Ohio.

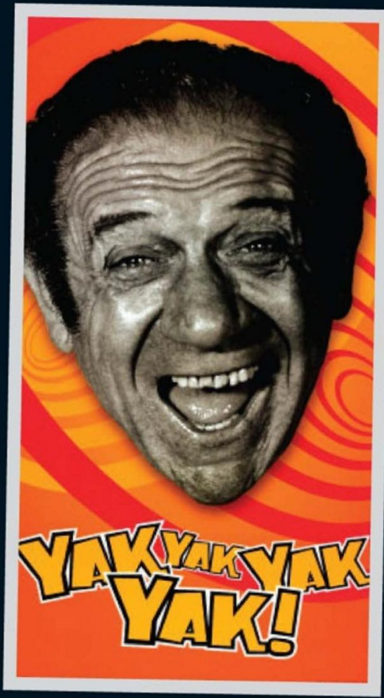
During the hallucinogenic episode, the man, who hasn't been named, but will be referred to by *Club* as 'poor bastard', tore off part of his own penis, causing mutilation and severe blood loss. He has been treated for his injuries and is making a good recovery. Maybe he should have stuck to the mushrooms in his fry up…

TIDES OUT!

A white male tried to make a swim for it after Police approached the suspect in connection with a felony warrant, alleging narcotics violations. Instead, the shirtless man fled into the nearby chilly water and proceeded to swim along the shoreline for 2.5 miles. The police bided there time and waited for the big feller to wear himself out before bringing him ashore, seven hours later. He received treatment for hypothermia and the Coronado Police department had a good chuckle as they padded out his charge sheet with a host of offences.

I HAS A MISTAKE

PULL THEM DOWN!



YAK YAK YAK YAK!

You may be forgiven for thinking that this is a scene from a *Carry On* film, though perhaps these two have been learning from the heavyweights of slapstick. Tulsa police are searching for two suspects in connection with a spate of robberies after two people were held up at a convenience store and motel. At 1:45am on Sunday morning the victims were filling up their cars at E-Z Mart when two men approached them holding a revolver and instructed one of the victims to remove his trousers. The suspects then drove off with the trousers in a Cadillac, which was found abandoned a few hours later. Police continue with their enquiries.

NO GO!

Excuse me, Sir, is this an automatic or a manual? Police arrested Antoren Bell in Escambia County, Fla., following an attempted robbery. However, this less than two-bit thief was foiled by the manual gearbox.

Bell had flagged down his female victim and forced her from the car at gunpoint. Needless to say he didn't get far – a kangaroo hop in total – and was forced to abandon the robbery. Bell was later picked out from a line up and charged with vehicle theft, robbery and criminal mischief. Perhaps he'll be sentenced to driving lessons… ♣
